

# EDICOM e- Invoicing

Relevant for Mexico, Colombia,  
Ecuador and Peru

Oct 2024

# Benefits

-  **Instant invoice validation** → Get notified of errors earlier, resulting in fewer invoice exceptions
-  **Expedited payment processing** → No more manual checking means we can process your payments more quickly when due from the date of receipt
-  **Global tax compliance** → An e-invoice is a digitally-signed tax document that can be used to reclaim VAT, unlike a PDF

# How to register and transact

If you are a Flora Food Group supplier based in one of the below listed countries and transact with a Flora Food Group Local entity in that country, then you should register for electronic invoicing via the link below. If you do a cross-border transaction, then you should submit your invoice via email/post – click [here](#) to know where to send your invoice.

## Register

## Access Platform

## Transact
